REASONS FOR ALLOWANCE

Information Disclosure Statement

1. The information disclosure statement filed 2/23/04 has been placed in the application file, but the information referred to therein has been crossed out by the Examiner because the document is not a "Printed Publication", and therefore is not proper as prior art because it is not accessible to the public, see MPEP § 2128. See also MPEP § 609 ¶ C(1). However, the Examiner has read and considered the comments by Terence D. Neavin. In light of these comments, the claims have still been found allowable as set forth below.

Allowable Subject Matter

2. Claims 1-18 are allowed.
3. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or suggest the inventions claimed for the reasons set forth in the previous Office actions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
